## Turmeric Finger

|                           |                                                                           |
|---------------------------|---------------------------------------------------------------------------|
| <b>Grade /Variety</b>     | Sangli Turmeric(GI-Tagged, GI No. 496), Rajapuri Variety, Double Polished |
| <b>Botanical Name</b>     | Curcuma longa                                                             |
| <b>Indicative HS Code</b> | 0910 30                                                                   |

## Physical & Chemical Specification

| Parameter               | Specification Range                           |
|-------------------------|-----------------------------------------------|
| <b>Curcumin Content</b> | 2% – 4%                                       |
| <b>Moisture</b>         | ≤10%                                          |
| <b>Foreign Matter</b>   | ≤1%                                           |
| <b>Total Ash</b>        | ≤8%                                           |
| <b>Acid Insoluble</b>   | ≤2%                                           |
| <b>Ash Form</b>         | Whole, unbroken fingers, double polished      |
| <b>Color</b>            | Natural yellow-orange; no artificial coloring |

## Microbiological & Contaminant Parameters

| Parameter                            | Standard                                                  |
|--------------------------------------|-----------------------------------------------------------|
| <b>Total Plate Count</b>             | ≤ 10 <sup>6</sup> cfu/g                                   |
| <b>Yeast &amp; Mold</b>              | ≤ 10 <sup>4</sup> cfu/g                                   |
| <b>E. coli</b>                       | Absent / ≤10 cfu/g                                        |
| <b>Salmonella</b>                    | Absent in 25g                                             |
| <b>Pesticide MRL</b>                 | Within Codex Alimentarius / destination market MRL limits |
| <b>Heavy Metals (Pb, As, Cd, Hg)</b> | Within Codex / destination market limits                  |

## Packaging & Shelf Life

Packaging: 25 kg PE-linedPP bags (custom weights available on request). Shelf life: up to 24 months from packing date, stored cool & dry, away from direct sunlight.
